Taking inspiration from her surroundings and her big imagination, she boldly faces any situation, assuming her imagination doesn't get too big, of course! A creative thinker and curious explorer, Yasmin and her multi-generational Pakistani American family will delight and inspire readers.

## Pete the Cat (series) by James Dean

It's a party, a party, a perfect pizza party! That's what Pete thinks as he piles the pie high with his favorite topping — pepperoni. But then his friends come over and add their own toppings to the pizza. Will Pete's perfect pizza be ruined? There's only one way to find out! In this picture book full of fun alliteration and tasty foods by New York Times bestselling author and illustrator Kimberly and James Dean, Pete and the gang learn that the best kind of pizza is one you share with your friends.
